

Dear Rotary Club,

Thank you very much
for the preschool grant.

The UPK program at the
BACC will benefit greatly
from the grant. We have
a very important job of
preparing our students for

Kindergarten. As I mentioned
at the wonderful lunch, we

will use the money to
buy new books for our

listening center. Thank you
very much for helping us

instill a love for reading and
learning in our children.

Sincerely, Sarah McKinley : Amanda
