

WELCOME TO THE BALLSTON SPA ROTARY

From its inception in 1922, Rotary offers fellowship among managers and proprietors outside their usual day-to-day routine.

Rotary is a mixture of talents and expertise, which adds to the breadth of experience of each member.

The benefits of being a Rotarian include serving the community, networking and friendship.

Rotary is a catalyst which allows its members to serve people in Ballston Spa and around the world.

Rotary is a world-wide organization composed of managers and proprietors from different occupations who come together to serve the local community and promote international peace and understanding while meeting weekly to exchange ideas and information.
