

About Ballston Spa Rotary

From its inception in May 1922, Ballston Spa Rotary continues to offer fellowship among members outside of their usual day to day routine.

Rotary is a catalyst which allows members to serve people in Ballston Spa and around the world.

Rotary is a remarkable mixture of talents and expertise, because of the melding of experience each member brings with them.

The benefits of being a Rotarian include serving the community, networking, and friendship.

*"This is a changing world: we
must be prepared to change with
it. The story of Rotary will have
to be written again and again."*

- Paul Harris
